

Monopoly Money

I Timothy 6:17-19 (The Message)

Tell those rich in this world's wealth to quit being so full of themselves and so obsessed with money, which is here today and gone tomorrow. Tell them to go after God, who piles on all the riches we could ever manage—to do good, to be rich in helping others, to be extravagantly generous. If they do that, they'll build a treasury that will last, gaining life that is truly life.

Where your treasure is...

I can do all things...

Why this waste?

Run for your life!

Covenant Reflection

1. What is most important to you? What are your priorities? Simply look around you and evaluate how you spend your time, talents, and money. List a few of these activities and possessions.

2. Where is your heart? Take a look at your checkbook or bank statement, and list the top five monthly expenses. It is important to know where your treasure is.

Covenant Challenge

How do I keep my priorities in the proper order according to God's Word?

1. I will center my hopes, dreams, and ambitions on Christ and not on worldly things.
2. I will view all that I have as God's gift to me.
3. I will seek God first by offering up to him my first fruits.
4. I will take responsibility to share God's blessings with others—particularly those who are poor and needy.
5. I will place my whole trust in God as my Provider in order that I may attain life more abundantly.

Covenant Prayer

God of abundant life, I have reflected on your call for me to be joyfully obedient with all that you have blessed me with in this life. I recognize that my priorities are often out of line with your plan. I have taken a good look today at my treasure and it has revealed what matters most in my heart. Please forgive me where I fall short of your grace, and help me to become more of what you would have me to be. I offer up to you my life once again – all that I am, all that I have, all that I ever will be is yours, Almighty God. Please restore my heart as I now seek to focus my life on Kingdom priorities rather than worldly priorities. Search my heart and hear my prayer this day. In the name of Jesus Christ, Amen.

Did you go to church without going to church?

Worship is only the beginning at Frazer. "Church" means the **people** in the Body of Christ. You experience that in your life when you interact with others in a **small group** environment where you can build **relationships**, ask **questions**, study the **Bible** in-depth, and **serve** side by side with others. Visit a Sunday School class today and start getting connected. Sure, it takes a little effort, but the rewards are tremendous! To find the class that's right for you, pick up a listing at any of our information centers, or contact Adult Education Minister **Charles Wise** at 495-6319 or charles@frazerumc.org.
